A search bar on the left contains the keyword "roosevelt" and a "GO" button. The search results section displays "Search Results" for "roosevelt", showing 42 product entries. The results are paginated, showing results 1 through 10. The first three items listed are:

Product Name	Price	Availability
<a href="#">Franklin D. Roosevelt Bronze Medal 1-5/16" (831)</a>	\$ 2.75	In Stock
<a href="#">Theodore Roosevelt Bronze Medal 1-5/16" (825)</a>	\$ 2.75	In Stock
<a href="#">2003 Bronze Bald Eagle -- National Wildlife Refuge System Centennial Medals Series (642)</a>	\$ 4.50	In Stock

Below the search results, there is a "Search Hint" box with an information icon. The hint states: "In this example, the search results included entries for both Theodore and Franklin D. Roosevelt. If you want to ensure that you return only entries for Franklin D. Roosevelt, you could type **franklin d. roosevelt** in the Search field. You would need to include the middle initial in this case."

5. Click on the name or picture of any item to view more details. From the Details page, you can change the quantity of the item and add the item to your Wish List (if you have [created an account](#)) or your Shopping Cart.
